Now this modern apartment has loads to boast about. Its favourable first floor corner position showcases an abundance of natural light that shines on inside a very practical and totally private layout with an awesome balcony retreat, that lets you unwind every day to soak up the sun and enjoy a pleasant outlook all year round.

A welcoming entrance foyer introduces you into this private haven which instantly reveals a workable open plan living arrangement naturally spilling outdoors, sleek kitchen, secluded master bedroom, peaceful home office or single bedroom, nice bathroom and a separate European laundry.

Other highlights include: Security intercom entrance, secure under building parking, above car storage cage, gas
