A Great Address Is Just The Beginning?

A stellar location, a highly desirable pocket in the Northcote High School Zone and classic modern charm, combine to present a fantastic opportunity for those in search of a low maintenance inner city lifestyle.

A spectacular exposed brick wall is featured throughout its very practical 2 level layout, which instantly creates a loveable sense of warmth, that will make you feel right at home. Stealing the show is the totally private upstairs master suite enjoying the great escape away from our everyday rat race, with you being able to soak away your stresses running a hot bath admiring this level's creative timber lined cathedral ceilings.
