This Is Where Your Life Changes?

Another BISI vendor review available at [RateMyAgent.com.au](https://www.ratemylife.com.au)

It's time to make a lifestyle change and reassess what's important, so this townhouse retreat, just lets you do that, offering a perfect balance of easy low maintenance living without compromising on entertaining. Its super central location also spoils you with too many cool cafes and restaurants to mention and easy public transport options all literally on your doorstep.

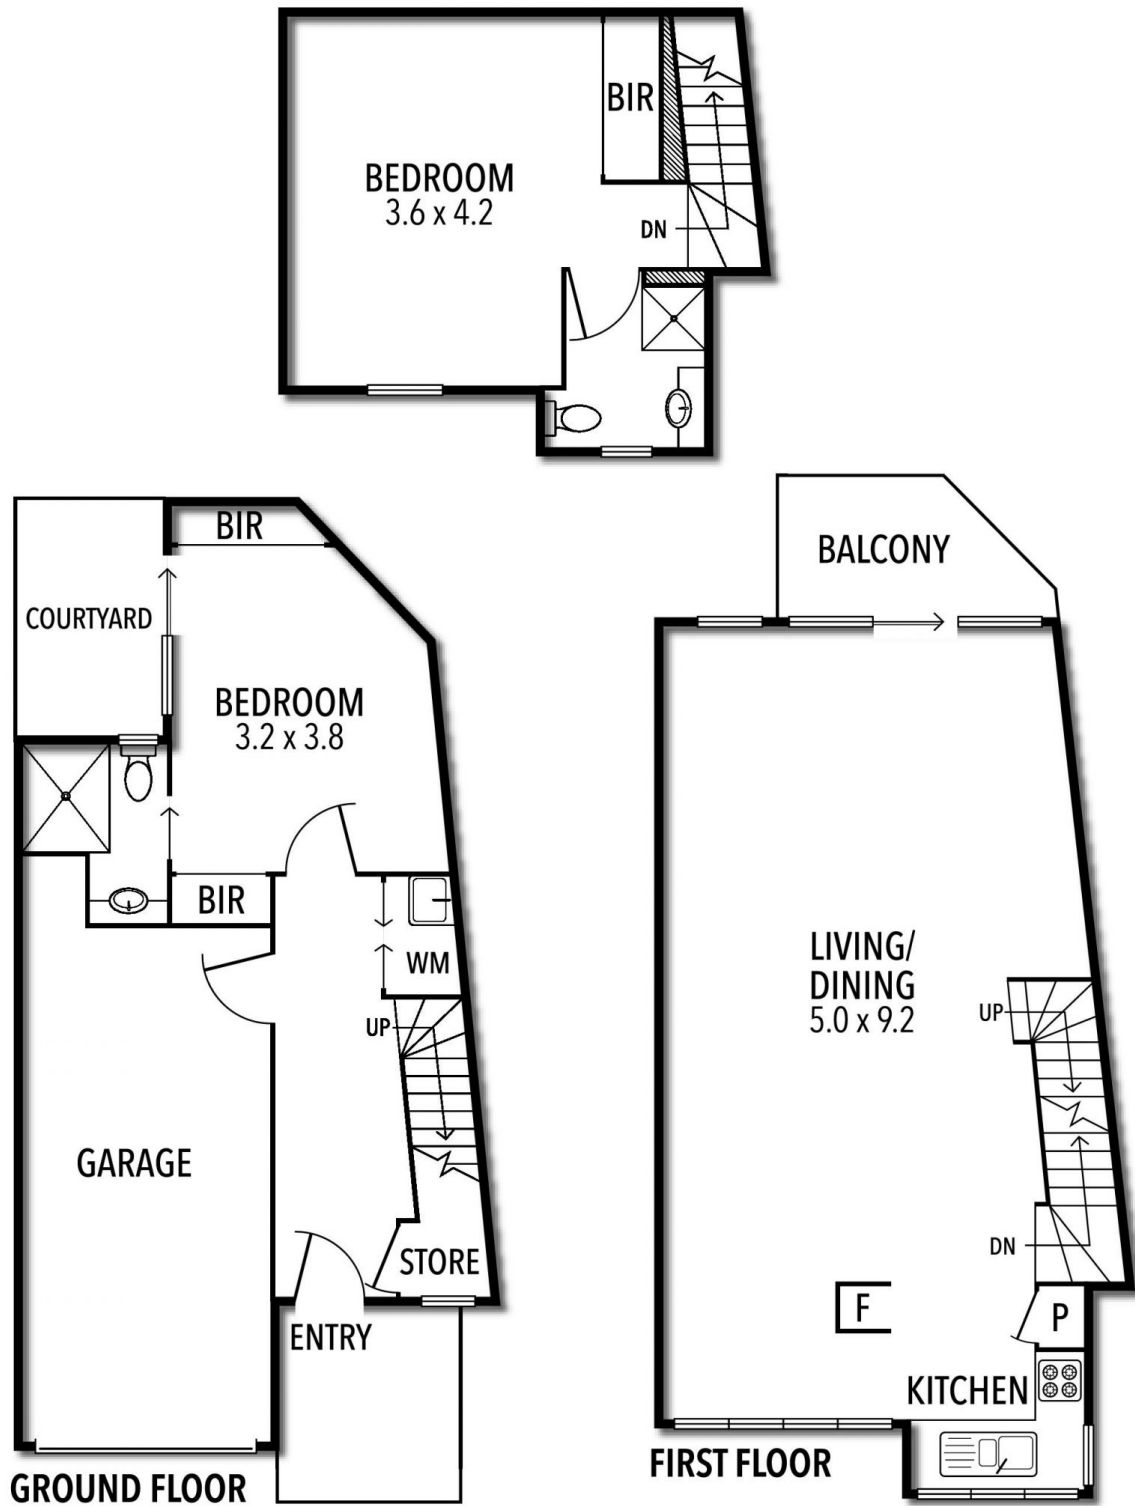

A totally private ground floor area showcases a secluded robed bedroom with its own bathroom and courtyard and the practicality of internal garage access and the European laundry also on this level. The open & airy middle floor is this home's crowning glory with sprawling living and dining spaces that flows outdoors and a well-planned and equipped kitchen with dishwasher and gas cooking facilities. The very top floor could be the perfect work space
