In a blonde beauty brick block, situated just a minute's walk to the heart of Westgarth & Northcote's chic retail shopping & dining strips of Rucker's Hill, is this standout corner apartment, which needs to mention straight up, its favourable point of differences, its filled with North sunshine, it shares no walls and the open plan living design, really lets you fine dine your guests very easily around a formal dining setting.

Presented to please with new carpets throughout, its well cared for interior simply lets you move straight in, while you ponder the reno possibilities, searching for the look you want on the many Insta posts we are all known to do for extra inspiration.

Some other loveable treats are retro light fittings, big
