A truly cosmopolitan lifestyle awaits, with this super cool and functional, 2-bedroom, 2-bathroom, double tandem garage home, which perfectly integrates surprising private indoor and outdoor entertaining spaces.

The home's crowning glory is the naturally light filled and sprawling living and dining level, which flows delightfully outdoors and is overlooked by an impressive Caesar stone kitchen, that will make any chef's preparations easy and enjoyable. The upper level also showcases two standout bedroom retreats enjoying their own bathrooms and double robes. Committed extras include: Water tank, solar hot water, split system heating/cooling, dishwasher and gas cooking.

Every amenity is an easy walk away, along St Georges
