In the heart of marvelous Melbourne is this spacious 12th floor apartment, which lets you move right in or lease straight out and simply begin all the rewards of this fun filled and convenient lifestyle location.

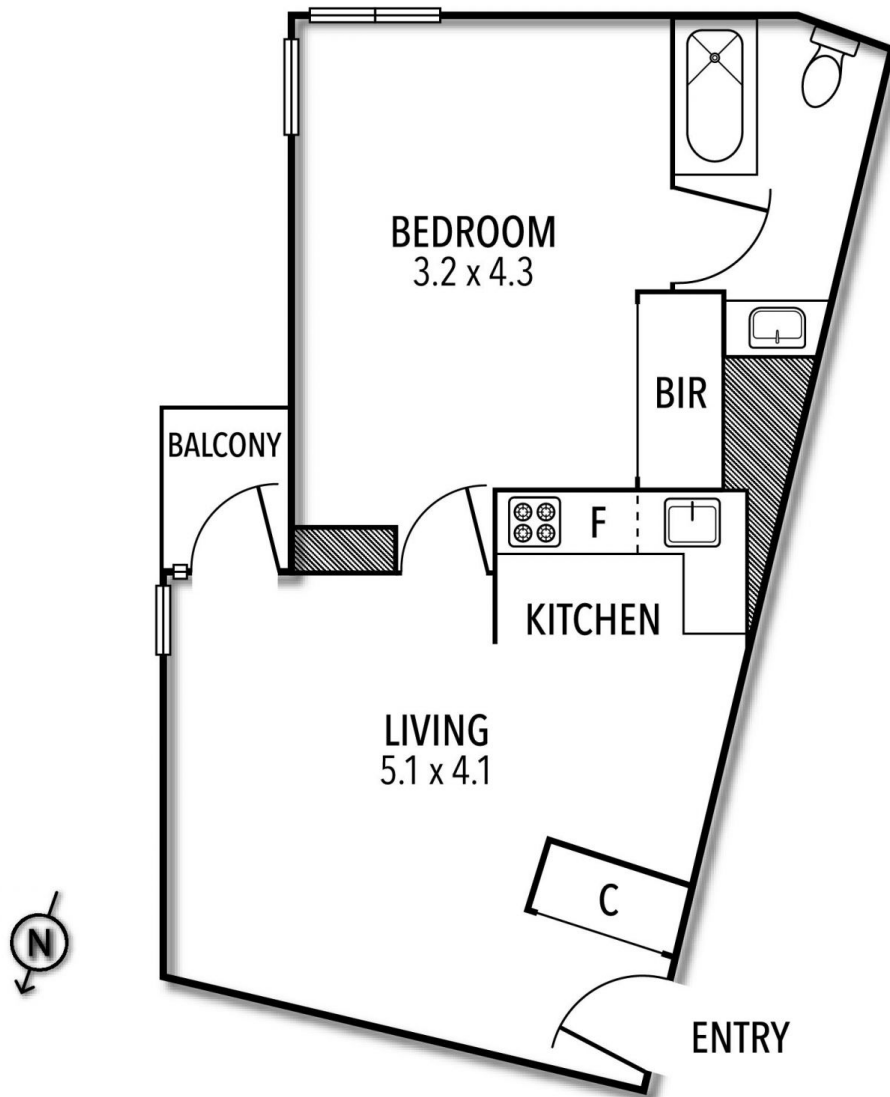

A naturally light and surprising private interior offers a functional open plan layout that allows for proper living and dining options, sweet private balcony, neat kitchen, double robed bedroom and ensuite bathroom with bath tub.

This well cared for and highly sought-after building "Lonsdale Heights" is perfectly placed within walking distance to Universities, Hospitals, Theatres and many other tourist attractions that has proved to be an easy Airbnb investment for our vendor when he was not occupying it himself.
