You'd better hurry, this home ticks all the boxes for young growing families. The floorplan is excellent, the backyard is big enough and the location is super central. RMIT Bundoora, popular University Hill shopping centres and schools are all within walking distance from this sought after position.

Move right in & begin to enjoy this well maintained & striking home that on the inside offers a pleasing master bedroom with ensuite & walk in robe, sunken lounge, formal dining, bright & workable kitchen overlooking the casual dining space that leads out to the generous backyard.
