Your Golden Ticket To Get Out In Iso?

For the lovers of lifestyle, then this location will lift up your spirits as it puts you right in the zone for shopping at the good Coles at La Plaza, a moment's walk away from the soon to come back hipster lifestyle on High and the areas bustling ISO retreat All Nations Parklands.

Upon entrance of this surprisingly spacious charmer, you will love the immediate air of relaxed warmth and light it showcases throughout its practical layout which also easily can accommodate today's demands of a designated home work space.

A traditional long entrance hallway separates the two double bedrooms away from everyday living. A non-pretentious kitchen easily connects to two flexible living/dining or optional workspaces. There is also a neat bathroom retreat with a bath, separate laundry and an easy to maintain sunny garden that allows for some green thumbing.
