Proudly occupying its own street frontage and driveway on Russell Street, is this captivating home, which perfectly demonstrates there's no need to compromise on space or entertaining when it comes to a low maintenance lifestyle, right on the edge of Fairfield.

A sun splashed interior has been refreshed and will easily allow you to move straight in until you decide to capitalize with a designer renovation and benefit from a large eat in kitchen, welcoming living room, separate toilet and a real backyard. Other positive features include: Single lock up garage, robed bedrooms, gas heating, gas cooking, and very minimal Body Corporate fees.

This really is the perfect setting for first home buyers or down sizers to end 2020 with a reason to celebrate victory of home ownership, in a location where you are truly spoilt
