Enjoy Life In Your Own Garden Setting...

With big windows capturing the serenity of your own courtyard outlook from a totally private living zone and master bedroom retreat, this street facing corner apartment seriously owns some individual style amongst this boutique group of only 10.

A neatly presented & non pretentious interior gives you promise you can move straight in while pondering your own individual style. Adding more winning appeal is its likeable floorplan that offers an entrance foyer, separate kitchen, robed bedrooms placed away from everyday living and neat bathroom. There is also gas cooking, internal laundry, bathtub, floorboards and window shutters.
