It's Party Time In Your Very Own Courtyard...

We all love a SURPRISE & this apartment was instantly blessed with its number being 7, but then came its north facing position giving it more luck to be able to grow your own organics, plus the fact it only shares one wall, and its private gated entrance into a real courtyard, with a decking ready for you to host one mega party.

Rolling with the word luck, you're lucky these owners have had a good renovator's eye as the kitchen & bathroom have been tastefully transformed, the master bedroom is fit for a king or queen & the living room can easily accommodate living & dining comfortably. Extra lucky inclusions include: Split system heating/cooling, internal washing machine options, built in robes, linen/broom
