An Idyllic Beginning...

Perfectly set back from the street, this sweet brick charmer has all the right ingredients for a growing family, with its surprising spacious layout and its green backyard where the kids can run wild, while the adults get wild themselves under the alfresco setting.

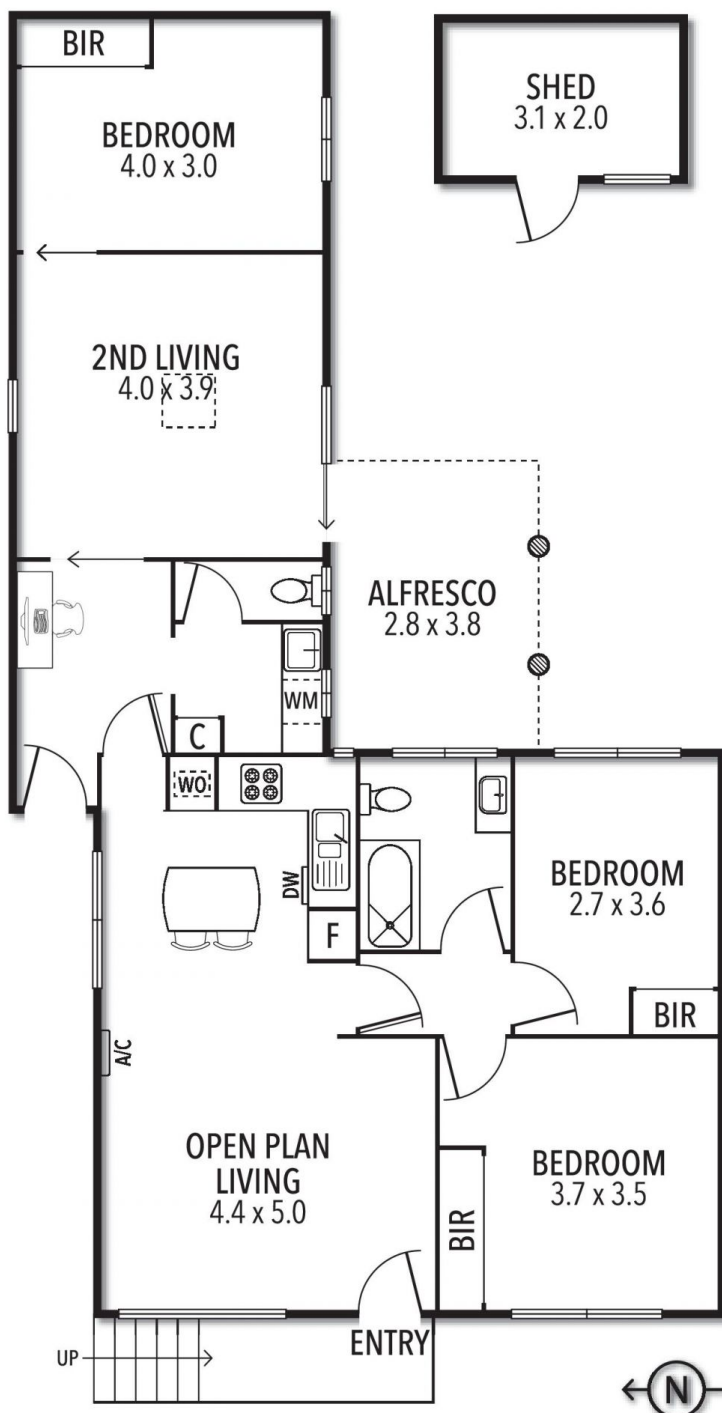

Bathed in glorious sunshine throughout its practical floorplan it showcases 3 bedrooms, 2 living areas, 2 toilets and a well-placed kitchen. It also offers lots of likable refreshed improvements, including a newly renovated bathroom and new laundry.

Other added benefits this treasure offers are its environmentally friendly double-glazed windows, solar panels and everyday comforts which include split system heating/cooling, built in robes, dishwasher, gas cooking and large garden shed.
