### Luxury Living By The Park?

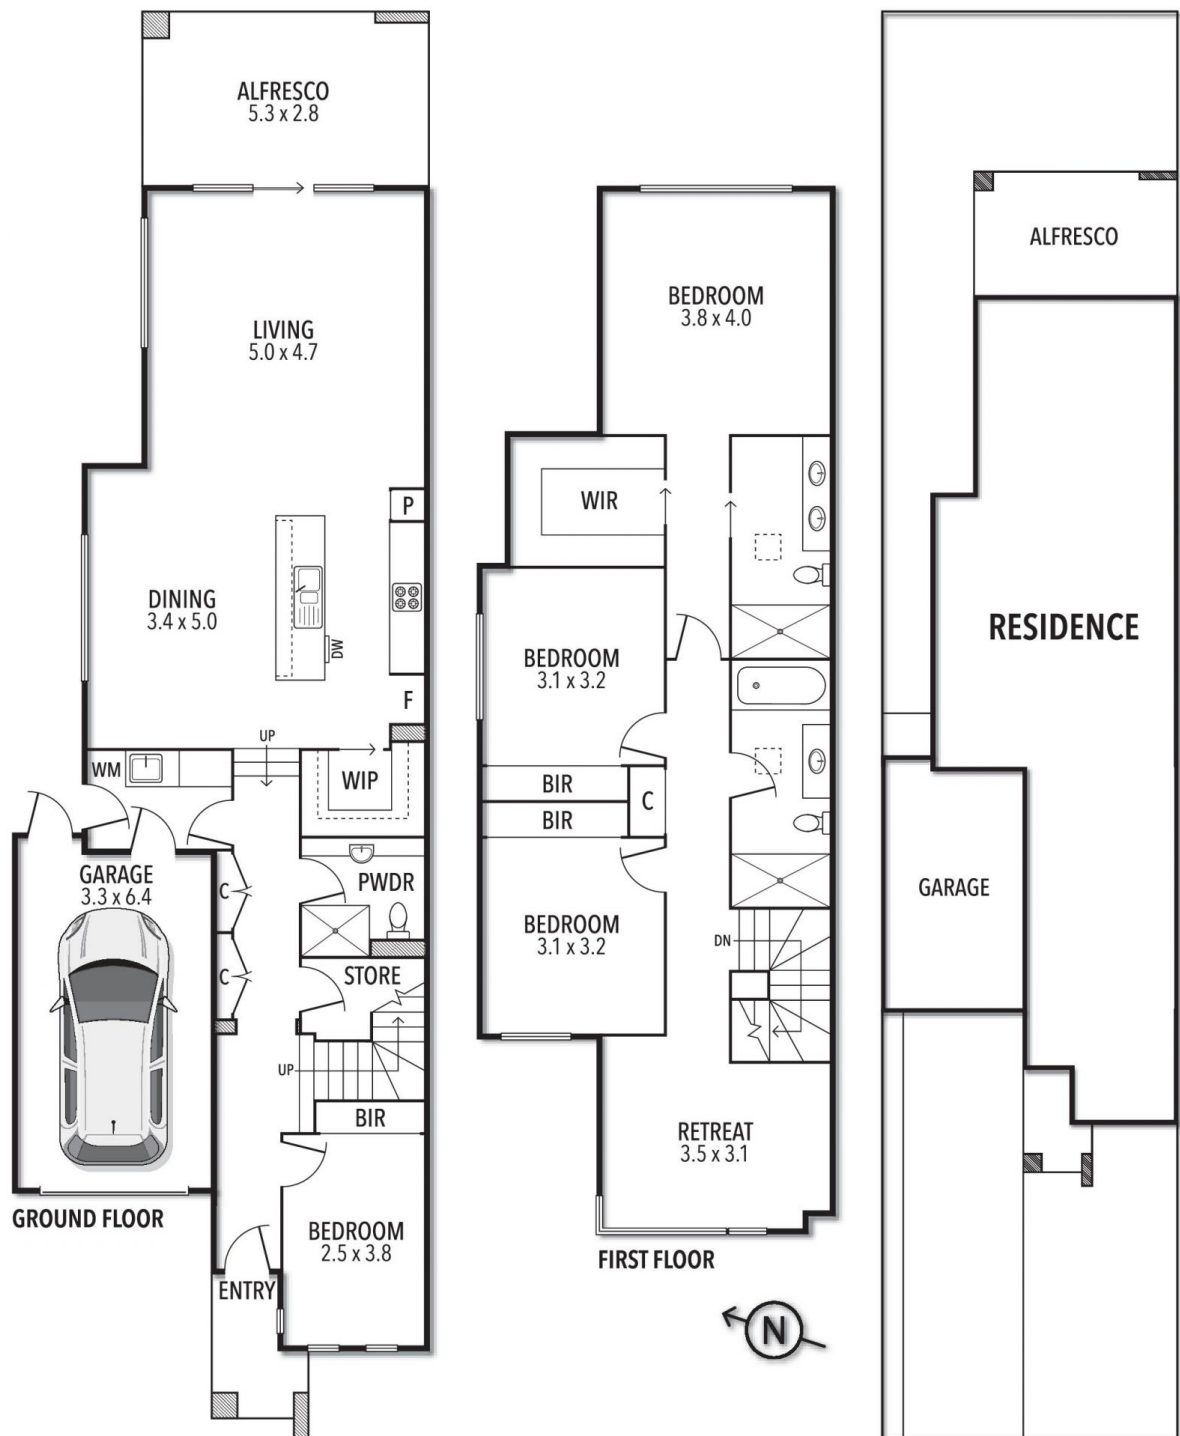

Go with the flow of family living & be able to entertain inside & out, in this soaring home cleverly designed with space and comfort in mind.

A welcoming entrance foyer proceeds you through the lower level, which showcases an oversized living & dining area, with a master chef dream of a kitchen, well-designed & expertly finished providing ample cupboard and bench spaces. Confirming the ease of living in the downstairs layout is a separate home or office or easy 4th bedroom option, bathroom, separate laundry and internal garage access.

Emerge upstairs to the upper level which is a totally private and light filled level which showcases a luxurious master bedroom with its own bathroom retreat and walk in robe. Two further bedrooms on this level are also surprising generous in size & both offer robes and share a nice family bathroom with deep bathtub and open retreat area.
