You'll Love The Kitchen, Bathroom & Location...

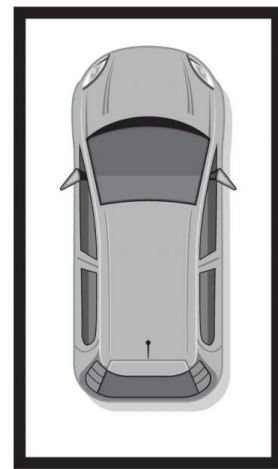

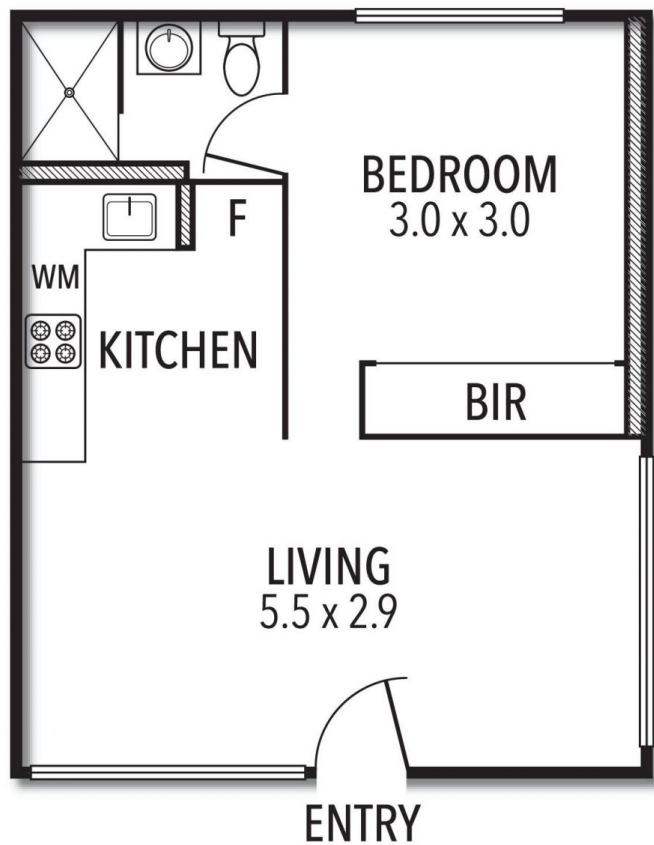

Sit back & enjoy this ground floor apartment & be spoiled with its stylish sense of warmth & its envied location, allowing its residents to be able to jump on a tram or train & access Nth Fitzroy or Terrific Thornbury's or Northcote's night and café spots in just minutes.

A pleasing open plan living area allows for the perfect spaces for dining, couching and watching TV comfortably. A nicely renovated kitchen smartly includes a front loader washing machine while the bathroom renovation creates the right mood after a long day at work with its LED feature lighting. A leafy bedroom suite also provides a great sense of escape with a well fitted storage robe.

There are also lots of loveable custom-made timber improvements and under floor heating in the bathroom that will confirm how much the owners have loved living here, making it feel like a real home that you will want to call yours.
