You will be instantly surprised with how this apartment feels more like a little house, which will leave you thinking, finally this is pure apartment bliss. Its elevated corner position also highlights its other welcoming points of difference - it's private, it's surprisingly quiet and its private courtyard is north facing.

It also showcases an entrance foyer which proceeds you through a well planned layout, which connects living and outdoors perfectly for those alfresco events. The entertainer will also be impressed that the kitchen leads outdoors, it has loads of cupboards and bench space . Two robed bedrooms share a large bathroom retreat with the master enjoying the benefits of its courtyard outlook all year
