Q. What Sets This One Apart From The Others?

A. Your Own Entrance & Your Own Real Courtyard...

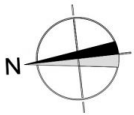

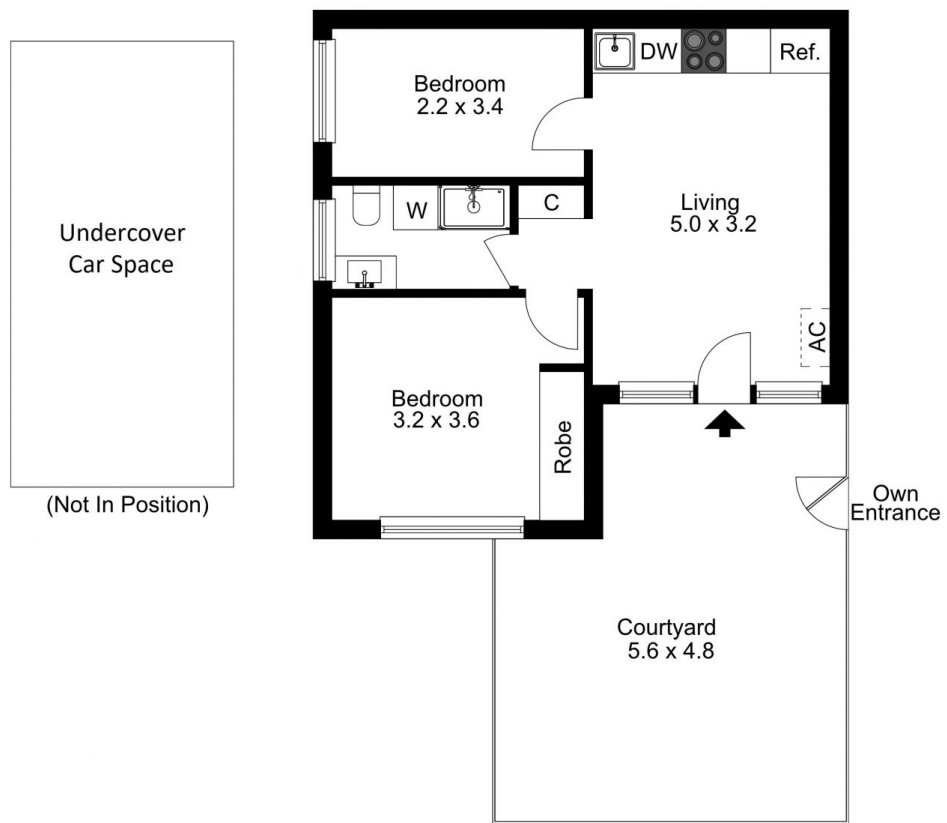

Your excitement will just continue throughout this radiant apartment that oozes so much style & privacy inside and out. Its unique layout also offers a separate bathroom and hard to beat courtyard outlook all year round from the living and master bedroom. Other surprises & necessities include: Undercover parking, split system heating/cooling, dishwasher and so much more.

It's hard for this apartment not to show off its many points of difference to the 9 other neighbours in this loved building, but they all do share this privileged position, allowing the ease to soon walk to the area's newest aquatic centre, International Sports Centre, handy Bunnings and good local shopping, transport, or entertainment options either on High Street or Station Street.
