When Quality, Style & Location Matters...

Your first visual impression of this building will be it's a statement of style and substance, which naturally flows indoors into this 3rd floor apartment, offering a unique secluded lifestyle of quality and convenience in fine apartment living, right in the heart of this colourful and convenient spot in Northcote.

A welcoming entrance hall separates sleeping & living zones perfectly, while smartly placing a European laundry away from a stylish and private bathroom suite. Both bedrooms offer exceptional privacy & storage options with generous mirrored robes, with the master enjoying a full ensuite. Floor to ceiling glass maximises the light & space throughout the open plan living area and expertly finished gourmet kitchen, which are both complemented by the full width undercover balcony.
