## Another BISI Property GONE...

A Great Place To Start...

Step inside & you will be pleasantly surprised with the space, light & likeable renovation that this elevated ground floor apartment offers, in this totally cool & non pretentious building, surrounded by a lifestyle of convenience and fun.

Loads of natural light streams throughout its jazzed up interior, that offers a sweet balcony off the generous open plan design, neat kitchen with gas stove, extra large bedroom with mirrored built in robe and nice ensuite bathroom that allows you to have your own washing machine.

It Will Be So Easy To Live In Or Lease Out...
