I know I will shape up in the bathroom as I have a bath, in the bedroom as I have a great robe and in the kitchen department as its not sitting directly in my living room allowing more space for comfortable lounging, jamming, or working from home spaces Oh Oh Oh?

I've also got some homely comforts like split system heating/cooling, washing machine facilities and easy guest access into my courtyard for those bigger summer lovin party nights Oh Oh Oh?

I'm in a happening location that lets you catch a tram, grab a latte or just feel the happening vibes of Northcote, living so close to High Street Oh Oh Oh?
