The Right Look, The Right Light & In The Right Location...

Sit back and enjoy this ground floor apartment and be spoilt with its stylish sense of warmth and its envied location, allowing its residents to be able to jump on a tram or train and access Nth Fitzroy or Terrific Thornbury's or Northcote's night life spots in just minutes on cool High Street.

A welcoming sense of space and naturally light interior is evident upon entry throughout the open plan design which allows for the perfect spaces for your table, television & couch. A thoughtful renovation cleverly incorporates front loader washing machine options in the nice kitchen which allowed for the bathroom to stay roomy and a stand out double mirrored robe bedroom which surprisingly provides a totally private vibe and refreshing green outlook.
